Parrot Festival

The most joyful gathering of Parrot Enthusiasts in the World!

Parrot Festival is an annual conference where parrot enthusiasts of all ages and experience levels come to learn as much as they can about these amazing animals and celebrate them all weekend long. Parrot Festival is held every year on the last full weekend of January.

3 Main Sessions -

Specifically geared for beginner parrot owners and curious people looking to get into parrots

4 Microsessions -

hands on demonstrations on easing day to day care and improving your relationship with your parrot.

All activities guided by leading figures in aviculture from across the country

All-day access to the vendor hall and the raffle area.
